A Formula One motor race is held each year on the Circuit de Monaco. The Grand Prix of Monaco is the legendary race that dreams are made of. Since 1929, it is widely considered to be one of the most important and prestigious automobile races in the world and has been called “an exceptional event of glamour and prestige.

” The history of Chateau Eza also began in 1920’s when Prince William of Sweden visited Eze with his father King Gustave V. As an important writer he was captivated by the charm and inspiration of the village. In the ensuing years, it passed through the hands of various owners until a wealthy diplomat, Andre Rocat, took on the daunting task of creating a hotel - and Chateau Eza was reborn.

The 12 intimate rooms and suites of this 400 year old Chateau, also a former residence to a Swedish Prince, offer epic vistas over the Cote d’Azur, often from private balconies and terraces, as does Chateau Eza’s Gourmet restaurant, itself overlooking the sun-kissed horizons of the FRENCH RIVIERA. Château Eza hotel offers a Gourmet Restaurant serving à la carte French and Mediterranean cuisine against the stunning backdrop of the French Riviera.
